Fish of the month - MORWONG

Morwongs have creamy flesh with a distinctive flavour. They are ideally suited to frying, baking, steaming or barbecuing whole (gilled and gutted).

Morwongs can be used in place of snapper or red emperor as an inexpensive centrepiece for a buffet.

JULY FISH WINNERS DRUMMER (adults)

& Sweep Winners (juniors)

Men's - Russell Leeding - 1.925 kg. Ladies - Brenda Leeding 3.305kg

Boy's - Lachlan Carson - 0.290 kg. Girl's nil.

PRESIDENT'S REPORT AUGUST 2020

Our club's Annual General Meeting was held on the 1st August 2020 at our club rooms and remotely with some members choosing to face time via Messenger so that they could be in attendance.

For those that are not aware our club's constitution allows members to use technology such as mobile phones or computers to contact a nominated member who will be at a meeting so that they can contribute to the meeting and be recorded as being present. This allows members to be involved or take on committee positions but still allowing them to take holidays or to attend other predetermined appointments.

Five of our previous Committee, President Joyce Neath, Secretary Emma Field and Committee Member's Colin Walder, Terry Carson and Josh Blyton did not seek reappointment and as the new incoming President I would like to thank them for their tireless efforts over past years and I'm sure we will see them around the club on many occasions

This still leaves a number of positions not filled (as has happened in the past) but we will be working hard to encourage other members to our team and this is where I hope that members who would like to be involved but also like to do a bit of travelling will hold their hands up and call in to meetings using current technology.

Positions Unfilled:

- Committee Member 2***
- Committee Member 3***
- Committee Member 4***
- Web Page Administrator***
- Sponsorship Co-Ordinator***
- Membership Record Officer***

At this stage, our Facebook page Administrator will be managed by Pam.

Newsletter Editor will be a joint contribution between myself and Pam. We welcome contributions to our newsletter from members such as articles or photos which can be forwarded to the Secretary.

We will be researching a suitable candidate to manage our Web Site and if there is anyone that would like to assist or suggest a candidate it would be greatly appreciated. Our Web Page is an important resource needed to provide detailed information associated with the Club.

It goes without saying that one of our club's focus is our Annual Fishing Competition not only to help provide funds to run our club but to attract much needed revenue into our town. We were extremely lucky this year to sneak our competition in between the devastating bush fires and the onset of Covid 19.

Given the current situation with Covid 19 in Australia we are monitoring next year's competition. At previous Committee Meetings prior to the AGM it was decided to review the situation as per the Covid 19 Health guidelines at the end of October 2020 and possibly again at a later date dependent if there are improvements in contracted cases OR cancel to give all entrants enough time to cancel leave or accommodation bookings and to notify our loyal sponsors. Hopefully, things will improve in the very near future and it will go ahead as usual in March 2021.

Due to Covid 19 we have also decided to cancel this years Kids Gone Fishing Day normally held in October, with the thought of holding a similar event when social distancing and Covid 19 restrictions allows. One suggestion is to hold a family fishing day at Cocora Beach combined with a BBQ. This or a similar event would combine the usual knot and rigs, casting, and other fishing tips along with club information.

Another major focus that our Committee faces is how to increase our falling membership numbers and what we need to do as a club to attract new and younger members. We have previously relied on the Kids Gone Fishing Day to introduce families to fishing and despite offering free memberships to families on the day only one membership has been taken up.

We; are not alone in declining numbers and we have been communicating with other clubs and find they are in the same position and of course that means less revenue from membership. One of our best attributes to get the message across about the fun in fishing and the friendships created by being in a club and fishing together is to talk to fellow fisho's or family and friends and try and get them involved. Discuss the support our club can offer if they become involved and push the community involvement, we have by running our Fishing Comp and how it advantages our town.

As a committee we will discuss better ways of advertising and promoting our club and the social events we hold throughout the year and any new ideas for fishing together.

Our club rooms continue to undergo renovations thanks to our State Community Grant and the support of local polies and council members and we look forward to the day these works are complete and we can have a grand opening.

I look forward to working with the new committee and our members to make an even greater future for our club and as always, I welcome personal contact from any member as to what ideas they may have.

Regards, Rob Schroeder
