## GRUDGE MATCH

Sunday October 23<sup>rd</sup> 2022

Eden welcomed back members of Merimbula big game and lakes angling club and Pambula Fishing club to participate in the annual Grudge Match after Covid delayed this event occurring.

We were proud to provide a sumptuous three course meal, fruit and vegie hamper raffles. Everyone attending was in great spirit and despite the weather impeding on fishing for certain species the points tally results saw Merimbula win with 60 points, Eden 30 points and Pambula 25 points.

The overall best angler was a three way tie and the winner of the Rod & Reel Combo donated by Pickles Fishing & Outdoor was determined by a lucky draw.

Congratulations to Heather Sutterby from Merimbula

We all look forward to next year and our hosts will be Pambula Fishing Club.

## 45<sup>TH</sup> CONSECUTIVE ANNUAL FISHING COMPETITION 2023

---

The Committee having been meeting and implementing all of the necessary components of how to deliver the Annual Fishing Competition.

As previously advised we still need to fill the vacant Office Bearer's position of Treasurer which is an essential role.

Every effort is being made to ensure that all elements required are available to us and offer an efficient format. One of our main issues was with our Web page which was not appearing in search engines and being the essential core of the competition processes. We have created a solution and monitoring.

Date is set for Saturday 4<sup>th</sup> March - Saturday 11<sup>th</sup> 2023

Entry Fees \$50 per Adult Men's & Ladies. Under 16 Boys & Girls \$5each  
Under Sixes Free.

Huge thanks to our Major Sponsors involved in creating the  
" MAJOR BOAT PRIZE".

Any one able to assist in preparations are welcome to attend our next committee meeting being held on Tuesday Nov 22<sup>nd</sup> at 5.00pm

There is a call out for more persons to be able to process on-line entries.

Please contact Pam who will assist with training. It is a simple procedure and no different to ordering a product on-line.

**Comprehensive details consisting of Online Entries, Rules & Regulations, Terms & Conditions, Sponsorship options and the weeks schedule will be available soon!**

## NEW REWARDS FOR OUR MEMBERS:

The Committee wish to increase awareness that our club exists to our community.

There are many new residents arriving and visitors from surrounding areas that are not aware of our fishing & social activities.

In order to achieve this, we are providing a sticker with our club logo which is to be placed on your rear windscreen of your vehicle. Family memberships receive one sticker and club stubby holder, whilst Single members are provided with one sticker.

Our intention is that having our logo on vehicles whilst driving around the area will create interest and attract new members!

## SATURDAY NOVEMBER 5<sup>TH</sup> LET'S TALK TACKLE

---

Members experienced a very informative presentation from our Guest Speaker Kent along with members Nancy & Sue from Eden Marine Rescue.

We were all updated on the need for boaties to apply for a SE Number which can then be entered into the Marine Log On App.

Many important questions were raised and received great clarity of upcoming changes

The casual evening was well attended and the fantastic finger food platters were shared during a lot of chats.

Geoff McMahon then shared his knowledge when going Game Fishing with heaps of tips and various tackle options.
